

Beavercreek Football Club
Meeting Agenda for March 13, 2024

I. **Call to Order** 5:07pm

II. **Roll Call**- President Cheryl Devine, Treasurer Tracy Robbinette, Secretary Heather Nye, Ammi Haacke, Diana Kallander, Victoria Sprosser, Eric Sprosser, Michael Treon, Kimberly Floyd, Coach Smitherman

III. **Minutes:**

IV **Reports of Officers**

President- Went to the **Boosters** meeting and talked to them about our VP leaving the board and if we can continue without a VP. They said that is fine. Also years back Football Branched off from the boosters, because we are one of the largest sports groups and therefore bring in the most money and parents were upset that football money was used for the other sports in the boosters. So if we ever win a championship the booster will not buy our team championship rings, and they will not help us buy a spirit wear shed.

Football does not have many parents on the boosters; we have about 10. And Booster membership is \$25, \$50 and then you get a gift, \$75 with a bigger gift and \$100 with the best gift.

Do we want to merge back with the boosters or stay on our own board?

_ we decided to continue on as our own board: 1. If we remerge the money concern will still be a concern our dues will go to not just football items.

_ the more we involve the booster the more control we will give up and it will slow the voting process down even more.

_ we can have a representative that goes to the booster meeting just so we are more in the know about school events.

_ Boosters will not be printing and selling a program this year.

Vice President- Vacant. Brandon has stepped down.

Secretary- Shed: Met with Mr. Alexander from the school district, Brad Pompas, and several other Members of the Athletics team Monday at 10am to discuss the shed options. We walked the grounds. The ticket booth is not an option because it is used on varsity game nights. The Concessions stand on the visitor side is not an option because it is used by other sports, even though there are 3 concessions. The ground next to it would be very close to visitors and would require leveling, stones and drainage (the same with the grassy hill at the end of the field next to Ferguson hall). The pavement area at the end of the bleachers near the restrooms was debated and turned down due to traffic in that area, and possible Vandalism because baseball was put in a shed and it got vandalized. They offered that we use the sports equipment closet

#1081, because once the boys have their pads and helmets there will be space, and then I don't have to load them in my car for each game, but can get boys to help carry them out for this season. However that means we will need a pop up canopy tent as the one we used to use was the former VPs and is not available to us anymore. They did say they would talk to boosters about switching spots with us so we can see the field while our children play for games since they have no football player parents on boosters selling at events.

Canopies were researched:

Uline.com H-7230O 10x10 orange \$350

Side walls H-72310 10x10 four walls Orange \$90

Crestline.com

Event tent #10214960Z Orange - allows promo logo on it in 2 locations 10x10 \$778.55

Wayfair.com

Amazon.com

10x10 Best choice Products orange \$119.99

Weights for the poles \$34.98

Sunni Max Canopy Tent 10x 10 Orange UV50+ \$109.50 * I like this one the best*

Hotel Valet Carts were also researched to help in the moving of the items from the closet to the field for sales.

Amazon.com

Olympia tools foldable push cart dolly holds 660lbs \$89.13

Value valet - Bellman cart holds 600lbs 42x24x71" \$699.00

Value Valet bellman's cart holds 800lbs 43x25x68 \$725.00

I bought with my own money black tablecloths with Orange runners with the beavercreek logo on it and a teardrop flag that says Beavercreek Spirit Wear, so that people are more attracted to us and know we are there to sell spirit wear.

Also Researched getting a [Square](#) to be able to take credit card payments. Since we are a non-profit and we do not make more than \$5,000 we can get the device for \$59.00, and there is no monthly fee. - approved and passed to get the Square reader.

The canopy and the cart will be discussed and voted on in the April meeting.

Beavercreek 101- Slides are almost done. We need coaches' pics and names and board members' pictures and names. Due to it being so close to the Beaver 100 the name has been changed to Beavercreek Parents FAQ. Coach said he would get pictures to us ASAP for slides and for the website.

Spirit wear- The current 2023 inventory is being offered at a discount price of \$10. There is a google form on the class of 27 FB page that class reps can share and I will take orders and meet up with people to get them their gear. Next meeting we will vote on 2024 designs at the April Board meeting and move forward with ordering from Beavercreek Shirt Shack. Price points have been calculated, and it is recommended, based on previous years data, to only buy 60 shirts at a time to ensure we do not have so many in storage for the postseason. Also we need to be sure we order more hoodies this year as we sold out of those.

Treasurer

Beaver 100- No one has signed up since the last meeting. Maybe we offer a free t-shirt with sign up?

Website is up to date as well as it can be at this time. We need Board Member pictures and Coaching Staff names and pictures. Last month's meeting minutes and previous website edits have been added/ made.

Made a new email for the senior class as the password was lost several years ago and all attempts to recover the account have failed. Will be emailed to the board.

Email about Family Day says we can sell spirit wear and beaver 100. Contact Sarah Selhammer. Tracy will forward email to Heather to set up the event.

City BBQ would like to feed the team and host a fundraiser night. We need to get back to them on a date that works for us. It was suggested that we do it after a MAX lift work out so the boys are hungry. - checking on April 16th.

Military Appreciation Night - We need to contact the National Guard before May to establish this for uniforms. We need the 2024 schedule to know what day Military Appreciation night is. Treon says it's on the GWOC site and will get that to us.

Huddle- It was asked that we have a class on how to use Huddle. To help athletes and their parents to make highlight reels to use for recruitment videos. Coach would like to see more parent involvement on Huddle to help students with their recruitment packages. Recruiters are looking at players 8th-12th grade. Coach said he will have a class on this, the end of April and will also go over GWOC showcase and camper Higher ground details. He will get back to us with a date when he talks to the school about getting the auditorium.
