*Bales of hay to be covered in case of rain to be returnable. Committee has been informed. Twila to pick up/return.

Players meet on grass in front of main. Cannot board trailers until 5:40. Players are encouraged to either bring a snack/protein for between practice/parade.

Game Friday- Camo theme. Parking volunteers needed (MS Players?). Kim/Cheryl working on getting sponsors announced via Brad Pompos with script for Brian (announcer). Tracy mentioned Miamisburg having sponsors prerecorded to play during the games. Something to consider for future.

Treasurer-

1. 2025 Budget: See "Coach" notes below

Secretary- Has candy for Parade and good on Feed the Team supplies.

Coach – May need to move camp to 2nd/3rd week of July. 13 days allowed to say are mandatory over summer (13 “camp days” per OSHA).

Would like rain gear for coaches (preferred this year) \$30/coach.

Lift a thon – move back (Last week of July/First week of August?)

Golf outing – move back (August? End of July?)

Would like camp paid for by Club and mandatory player pack items. Coach has a potential new company for player packs for less cost than the previous \$70 ...should be about \$45/player. Would like to add sock (black and white) to player pack.

Need about 10 more practice jerseys. (different color for 10-15 “no contact” jerseys for practices too).

Likes idea of club pays for RETURNING Players camps/packs, not new players. Returning player =player that lasted all season and paid

Golf outing – wants silent auction. When are other sports golf outings? Plan around those. Swag bag (t-shirt, bag, etc). Form Golf Outing committee.

Coach does not want a specific fundraiser allocated towards anything.

Revenue – Volleyball set up, golf outing, lift a thon, parking, raffle tickets,

Keep doing protein. Coach to send Tracy protein invoices

*Letter of intent to play again next year (winter?).

Senior night – Give rose/carnation. Cheryl to email coach/band director/brad/etc. *In past done letter to Dad/figure at a “dad night”. Do at last senior dinner?

*Thursdays are best for club rep to come make announcements/pass out/collect items @ 5PM (Going forward)
